

Courthouse Academy 2018 Summer Camp Guide!

Are you looking for education, adventure and fun for your child? Look no further! Courthouse Academy has summer camps for all campers! You do not have to be a part of the Courthouse family to attend our exciting and challenging camps. Summer Camp will be spent learning and having fun with different themes. Each theme will focus on independent and collaborative learning, building friendships and hands on activities that stimulate creative thinking.

All young campers will be invited to attend our in house field trips, Fun food Fridays and theme based camps taking them on wild adventures while never leaving the safety of school! Our 5 year old campers and older will go on weekly field trips that leave the campus and allow them to develop their independence while learning and making memories.
